A wide-angle, low-perspective photograph capturing the start of an Ironman triathlon. Multiple athletes in black wetsuits are diving into a body of water. The central figure is in mid-air, with legs spread wide and arms reaching forward, creating a large splash. Other swimmers are visible in the background, also entering the water. The sky is bright blue with scattered white clouds. The water's surface is dark and reflects the sky and the athletes. A red banner with white text is in the top right corner. In the bottom left, there is white text identifying the event and the photographer.
